About - Sally Nicoll Fitness Blog

It's almost that time - the summer Olympics officially kick off tomorrow in London (though some games like soccer have already started!). I love the Olympics - the pomp and circumstance, the drama of people coming together from different cultures, the changing rules, the mere moments that people train their entire lives for - all played out on an international platform.

sports | Sally and the City

In this interview with Sally Nicoll, the author of Bets and The City, we talk to her about her life and how she got involved in the spread betting markets. Sally mostly bets on the FTSE 350, currency exchange and company shares going up or down - spending several hours at the start of the week identifying her bets - then keeping a regular eye on her trading.
