The emergency department (ED) is a setting where there has been an unmet need for formalized telephone triage for decades. Historically, patients have called emergency departments regarding a range of worrisome symptoms, and they deserve a systematic, comprehensive response. Patients often call the ED after-hours, usually due to a lack of access.

The answers lie in a print culture that imagined the world as hostile to American ideas, interests, lives, and livelihoods. Even before stepping onto a global stage in the 1780s, Americans had imagined the world as disordered and dangerous, deranged by tyranny or steeped in chaos, often deadly, always uncertain, unpredictable, and unstable, and their encounters after independence reinforced ...
