Veterinary Technicians Books PDF | Vet eBooks

In summary, I must admit that the changes incorporated in the fourth edition of this textbook may not be significant enough to warrant purchase for those who already own the third edition. I absolutely recommend the fourth over any previous edition of this book if another pharmacology applications text is not currently owned. This remains a great text for veterinary and veterinary technician students learning how to apply pharmacology to practice. Publisher: Saunders-Elsevier (2009). 481 pgs ...
