Like a moron, I took my first Biology CLEP cold, so I was able to use this book after the fact and compare how much it covered. To be fair, there's entirely too much information in the Biology CLEP to study it with anything less than a textbook, but I was still somewhat dissapointed with the REA offering. Don't use this on it's own.

The Biology Department's policy is that any student found responsible for academic dishonesty will receive no credit for the assignment involved. However, any faculty member can create a policy specific to their course that could be more or less severe than the departmental policy. If a course syllabus contains a policy, that policy supersedes the department's policy.
