The cotton mill era and its decline. The mills of Girangaon were once integral to Mumbai's economy, particularly during the British colonial period, when Mumbai (then known as Bombay) was often referred to as the "Manchester of the East". However, with the development of newer industries in and around Mumbai, these mills ceased to be profitable, and fell into a state of disrepair.

if I bolt down the workpiece. There is about 1-2mm side-flex before it settles down, but it moves smoothly once it has made a flat spot. The combo slide-vice I have ordered should be helpful. When my blowtorch arrives I can heat and quench the scrapers in water - I only need to do the last half inch.
