measured before buying shoes. The best time to measure your feet is at the end of the day when your feet are largest.

### **10 Tips for a Good Shoe Fit! - OnHealth**

The reason, says Ray Margiano, CEO of Foot Solutions, a footwear and orthotics franchise, is in the way we shop — and the fact that adults often pull the wrong shoes off the rack from the get-go. The result can be discomfort after checkout — and pain that goes beyond tortured toes. “Our feet are the foundation of our body,” he explains.
