Dr. Susie Orbach is a psychoanalyst and psychotherapist with a practice seeing individuals and couples and, also, consulting to organisations. She co-founded The Women's Therapy Centre in London in 1976 and The Women's Therapy Center Institute in New York City in 1981. She is author of twelve books, co-editor of a further volume.

Dr. Susie Orbach | The Balint Consultancy

Susie Orbach's first and most famous book was published in 1978, when I was 11; by the time the second edition appeared, in 1988, I was 21 and in thrall to one of the many varieties of eating disorder inherited by contemporary womanhood. It should surely have been my bedside companion.

Can we ever learn to love our bodies?

Susie Orbach (born 6 November 1946) is a British psychotherapist, psychoanalyst, writer and social critic. Her first book, Fat is a Feminist Issue, analysed the psychology of dieting and over-eating in women, and she has campaigned against media pressure on girls to feel dissatisfied with their physical appearance. She is married to the author Jeanette Winterson.

Susie Orbach on Eating by Susie Orbach - Books on Google Play

Orbach dedicates the book to her award-winning author wife: 'For Jeanette Winterson, again, hoping this tells you more about what goes on in the consulting room.' And it really does lift a lid on the nuts and bolts of therapy, as well as the problems and struggles that unite us all - in love, work, family, sex and everything in between.

Susie Orbach on what she's learned from 40 years as a ...

Susie Orbach wrote about this for the first time at the end of the 70's in a book which revolutionised the way people looked at eating disorders. I often stop and think about how many young women today may be unaware of the weight that this reality has in their lives, and of the role it maybe plays in their eating disorder's experience.

Eating Disorders and Dramatherapy - The Recover Clinic

Best known as Princess Diana's therapist and the author of FAT IS A FEMINIST ISSUE, Susie Orbach has an international reputation as a therapist and expert on eating problems. She was a key figure at last year's Downing Street symposium on body issues and writes and broadcasts regularly in a wide range of media.
