Blue Bistro is an utterly satisfying look at the drama and romance that occur at a popular Nantucket restaurant in its last season.

Adrienne has rarely stayed in one place too long. She and her father moved a lot when she was younger, ...

Hilderbrand's books later in her career, I quickly fell in love with her more recent works. This summer, I thought it would be the perfect time to revisit Nantucket and delve into some of her earlier works. Unfortunately, I've found them to be average, at best. The Blue Bistro, however, intrigued me.

Normally, I love Elin Hilderbrand's books. This one, I liked. I never did warm up to Adrienne, the main female character. I didn't find the story believable once she got to the restaurant (The Blue Bistro). She questioned everyone about Fiona, the chef, but NO-ONE, not ONE person would tell her what was going on.
