The Tibetan Book of Living and Dying: The Spiritual ...
Tibetan Book of Living and Dying was received with such enthu siasm around the world. At first I was astonished: I had never expected it to have such an impact, especially since at the time of writing this book, death was still very much a subject that was shunned and ignored. Gradually, as I traveled to dif

The things we touch, touch us. We are living in a time where gigantic companies are commoditizing everything in the world. As they are pushing for more automation and outsourcing the creation of every product to mass production in factories, we can end up living in a world of soul-less, faceless and potentially worthless items that are made to be cheap rather than last and provide value for ...
