Towards A Uniform International Arbitration

While mediation is a concept widely used in U.S., it has yet to truly benefit the legal community in Italy as a viable means to settle disputes. In Italy, mediation is a concept that is often mistakenly confused with conciliation; although the two methods have similar aspects, they are fundamentally different. To appreciate the differences between arbitration, mediation and conciliation, it is ...

This post deals with the conceptual underpinnings and theoretical justification for the practice of counterclaims in investment arbitration. First, it is important to delineate this post from an analysis of counterclaims case-law in investment arbitration, as ample accounts of the counterclaim debate in practice can be found here, here, and here. Equally, this post does... Continue reading

Regime Interaction in Investment Arbitration ...

Arbitration was practised in India from the ancient times through Puga, Sreni, Kula and Panchayat. These were the bodies who decided and resolved the disputes in the alternative of courts. After that many acts were passed to give arbitration a uniform meaning and to give it a statutory recognition.

The Chinese Journal of International Law is a leading forum for articles on international law, aspires to be a general journal unlimited in scope or viewpoint, while attempting to present materials and viewpoints from and/or about China (about 60% of the space each year) and other parts of Asia and the developing world at large.

Chinese Journal of International Law | Oxford Academic

Unidroit's work on contract law is extensive, and aims to offer harmonised rules to respond to the evolving needs of modern transactions. Its work encompasses The Principles of International Commercial Contracts, guides to franchise agreements, instruments on financial leasing and factoring, and support for the development of principles for specific contracts (e.g. reinsurance contracts).

Contracts - UNIDROIT

The application of private international law to electronic consumer contracts raises new, complex, and controversial questions. It is new because consumer protection was not a private international law concern until very recently and e-commerce only became an important commercial activity within the last ten years.

Rules of Private International Law - LawTeacher.net

Whether international humanitarian law really confers upon belligerent a licence to kill enemy combatants, and whether the rules are different in international and non-international armed conflicts, has generated an intense debate (on 'capture or kill', see eg the contributions of Melzer, Hays Parks, Schmitt, Goodman, Kretzmer).
