in the UK by Vauxhall from 1975 to 1995. It was based on a succession of Opel designs throughout its production life, during which it was built in three incarnations. The first generation of Cavalier, launched in 1975 and produced until 1981, was based on the existing Opel Ascona and Opel Manta with a few minor visual differences.

I have owned a 2001 TS CD manual Astra since new and I can honestly say it is an extremely well built solid car that has no rattles and squeaks. It drives beautifully. I have had it regularly serviced by my excellent Holden Dealership which is only once a year, compared to 6 monthly with the Japanese.
